

# THE RAM REPORT

November 5th, 2023

*Upward We Strive*

## REYNOLDS RAP

Holocaust Education Week in Florida is held annually the second week in November which coincides with the anniversary of Kristallnacht, November 9-10, 1938, a major turning point in the persecution of European Jews by the Nazi regime. Because the anniversary of Kristallnacht falls during the second week of November each year, schools throughout the state of Florida focus on education to prevent the violent ramifications of prejudice, racism and stereotyping. This is a time where we use the history of anti-Semitism and the catastrophe of the Holocaust to reflect upon what it means to be a responsible and respectful person, to encourage tolerance, and to nurture and protect our own democratic institutions.

This week, I challenge all of our students to show respect and kindness by holding the door in a hallway for students entering, go up to someone who is sitting alone at lunch and get to know them, or maybe it may be as simple as walking around with your phone away saying hello to others in the hallway. Let's take this week to understand the unfortunate events of the Holocaust and turn this catastrophe into something positive right here on our campus. Every day of the year, we ask our Rams to Be Respectful, Be Responsible, Be Engaged, and Be the Change you wish to see in the world. And as always, Go Rams! -Dr. Reynolds
